Easy Tricks

1. **The Disappearing Coin Trick:** This classic trick is always a crowd-pleaser. Show your grandkids a coin, place it in your hand, and then make it vanish right before their eyes!

- To perform this trick, you will need a coin and a piece of paper.
- Fold the paper in half and place the coin on the inside of the fold.
- Close the paper and hold it between your thumb and forefinger.
- Slowly open the paper and the coin will appear to have vanished!

2. **The Floating Ball Trick:** This trick is sure to amaze your grandkids and make them wonder how you did it. Show them a ball, toss it into the air, and then make it float in mid-air!

- To perform this trick, you will need a ball and a hair dryer.
- Turn on the hair dryer and point it at the ball.
- The ball will start to float in the air as long as you keep the hair dryer pointed at it.

3. **The Magic Wand Trick:** This trick is a great way to make your grandkids believe that you have magical powers. Show them a wand, wave it in the air, and then make something appear or disappear!

- To perform this trick, you will need a wand and a small object, such as a coin or a ball.
- Hide the object in your hand and then wave the wand over it.
- Say some magic words and then make the object appear or disappear!

Amazing Brainteasers

4. **The Three Boxes Brainteaser:** This brainteaser will challenge your grandkids' logic skills. There are three boxes, each labeled with a

different word: "apple," "orange," and "banana." However, each box contains a different fruit. Can you figure out which fruit is in each box?

- The box labeled "apple" contains an orange.
- The box labeled "orange" contains a banana.
- The box labeled "banana" contains an apple.

5. **The Two Trains Brainteaser:** This brainteaser will challenge your grandkids' math skills. Two trains leave the same station at the same time and travel in opposite directions. One train travels 60 miles per hour, and the other train travels 80 miles per hour. How far apart will the trains be after 2 hours?

- The trains will be 280 miles apart after 2 hours.

6. **The Farmer and the Wolf Brainteaser:** This brainteaser will challenge your grandkids' problem-solving skills. A farmer needs to cross a river with a wolf, a goat, and a cabbage. However, the farmer can only take one item across the river at a time, and he cannot leave the wolf alone with the goat or the goat alone with the cabbage. How can the farmer cross the river with all three items?

- The farmer can cross the river with all three items by doing the following:
 1. Take the goat across the river.
 2. Return to the other side.
 3. Take the wolf across the river.
 4. Return to the other side with the goat.

- 5. Take the cabbage across the river.

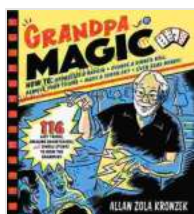

Simple Stunts

7. **The Human Flag Stunt:** This stunt is sure to impress your grandkids and make them think you are a superhero. Stand on your hands and hold your body parallel to the ground, creating the illusion that you are flying!
 - To perform this stunt, you will need a sturdy wall or fence.
 - Place your hands on the wall or fence, shoulder-width apart.
 - Kick your legs up and over your head, until your body is parallel to the ground.
 - Hold this position for as long as you can.
8. **The Backflip Stunt:** This stunt is a great way to show your grandkids your athleticism and coordination. Jump up in the air and flip your body completely over, landing on your feet!
 - To perform this stunt, you will need a soft surface to land on, such as a trampoline or a bed.
 - Start by standing with your feet shoulder-width apart.
 - Jump up in the air and tuck your knees into your chest.
 - Flip your body completely over and land on your feet.
9. **The Cartwheel Stunt:** This stunt is a classic for a reason. It is fun, easy to learn, and always impresses. Start by standing with your feet shoulder-width apart, then place your hands on the ground in front of

you. Kick your legs up and over your head, and then roll over onto your back.

- To perform this stunt, you will need a flat surface with no obstacles.
- Start by standing with your feet shoulder-width apart.
- Place your hands on the ground in front of you, shoulder-width apart.
