In *Art and the Bible: IVP Classics*, Francis Schaeff argues that art and the Bible can be mutually enriching. He draws on insights from art history, theology, and philosophy to make his case. Schaeff believes that art can help us to understand the Bible, and that the Bible can help us to appreciate art. He also argues that art can be a powerful tool for evangelism and discipleship.

The book is divided into four parts. The first part explores the relationship between art and the Bible in general. The second part examines the role of art in the Old Testament. The third part examines the role of art in the New Testament. The fourth part considers the implications of the relationship between art and the Bible for the Christian life.

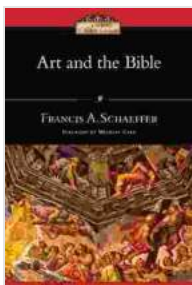

Schaeff's book is a valuable resource for anyone interested in the relationship between art and the Bible. It is a well-written book that is accessible to a wide range of readers. Schaeff's insights are thought-provoking and challenging, and they will help you to see art and the Bible in a new light.
