

# Dover Pictorial Archive: 325 Historic Examples of Visual Storytelling

The Dover Pictorial Archive is a collection of over 325,000 images from the 16th to the 19th centuries. The archive includes a wide range of subjects, from landscapes and portraits to historical events and scientific illustrations. The images are available in a variety of formats, including high-resolution digital downloads and prints.

## History of the Dover Pictorial Archive

The Dover Pictorial Archive was founded in 1975 by Dover Publications, a leading publisher of books on art, music, and literature. Dover's goal was to create a comprehensive collection of public domain images that would be available to artists, designers, and other creative professionals.
