Polynesian idols, coconut trees, and tropical cocktails are all iconic symbols of the Polynesian culture. These elements can be found in a variety of settings, from traditional Polynesian villages to modern-day resorts.

## Polynesian Idols

Polynesian idols are often carved from wood or stone and represent gods, ancestors, or other important figures. These idols were often used in religious ceremonies and were believed to possess great power. Today, Polynesian idols can be found in museums and other cultural institutions around the world.

## Coconut Trees

Coconut trees are another iconic symbol of the Polynesian culture. These trees are found throughout the Polynesian islands and are used for a variety of purposes. The coconuts can be eaten fresh, dried, or used to make coconut milk, oil, and other products. The leaves of the coconut tree can be used to make thatch roofs and other building materials.
