Textbook Fundamentals of Art is the definitive textbook for understanding the fundamentals of art and design. This comprehensive guide covers the essential elements and principles of visual design, providing students with a solid foundation upon which to build their artistic skills and knowledge.

The Elements of Art

The elements of art are the basic building blocks of visual design. They include:

- **Line:** A continuous mark made by a moving point.
- **Shape:** A two-dimensional area enclosed by a line.

- **Form:** A three-dimensional object.
- **Texture:** The surface quality of an object.
- **Color:** The attribute of objects that allows us to differentiate them from one another.
- **Value:** The lightness or darkness of a color.

The Principles of Design

The principles of design are the guidelines that artists use to create visually appealing compositions. They include:

- **Balance:** The distribution of visual weight in a composition.
- **Contrast:** The difference between two or more elements in a composition.
- **Emphasis:** The focal point of a composition.
- **Harmony:** The pleasing relationship between elements in a composition.
- **Movement:** The illusion of motion in a composition.
- **Pattern:** The repetition of elements in a composition.
- **Proportion:** The relationship between the sizes of different elements in a composition.
- **Rhythm:** The flow of elements in a composition.
- **Unity:** The overall coherence of a composition.
