The Elliot family's story begins in Scotland, in the county of Argyll. The family was originally from the Isle of Islay, but they moved to Argyll in the 1700s. The Elliot family was a farming family, and they owned a small farm in Argyll.

In the early 1800s, the Elliot family decided to emigrate to Fiji. The family was looking for a new life in a new country, and they believed that Fiji would be a good place to start. The family sold their farm in Argyll and set sail for Fiji.

The Elliot family arrived in Fiji in 1842. They settled in the village of Levuka, on the island of Ovalau. The family quickly became involved in the

community, and they played a major role in the development of Levuka. The Elliot family built a house in Levuka, and they also owned a store and a hotel.

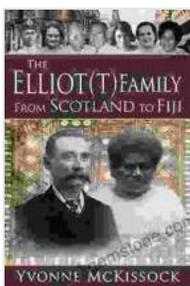

The Elliot family was also involved in the political development of Fiji. The family was one of the founders of the Levuka Town Council, and they also played a role in the establishment of the British colony of Fiji.

The Elliot family continued to live in Fiji for many years. The family played a major role in the development of the country, and they were one of the most prominent families in Fiji. The Elliot family's legacy continues to this day, and they are still remembered as one of the most important families in Fiji.

The Elliot Family Today

The Elliot family still lives in Fiji today. The family is spread out across the country, but they are still very close. The Elliot family is proud of their heritage, and they are still involved in the community.

The Elliot family is a testament to the power of family. The family has overcome many challenges over the years, but they have always stuck together. The Elliot family is a strong and loving family, and they are an important part of the Fijian community.
